# Our Legacy

The journey of Matco started with the entrepreneurial aptitude of Syed Sarfaraz Ali Ghori, who established his own company by the name of Muhammad Ali Trading Company (MATCO) in 1964 and initially began supplying and commissioning rice plant and equipment for the Government of Pakistan.

Today, Matco has over 150 global customers and exports its consumer products to over 40 countries worldwide. The company also holds Organic Certifications from the US NOP and EU Organic Certification from Control Union, and is an IFC investee company since 2012.

In 2015, Matco Rice Processing (Pvt.) Limited changed its name to Matco Foods (Pvt.) Limited, and subsequently to Matco Foods Limited before listing in PSX, reflecting its mission of becoming a leading food corporation. Matco is a committed member of the society and strives to make constructive efforts for the welfare of the community.

# Business Profile

Matco Foods Limited is a leading Food Processing & Export Company in South-Asia which provides packed consumer foods products that offer convenience, and supplies quality ingredients to the pharmaceutical and confectionery industries. Matco's mission is to offer convenient, hygienic and quality food product solutions to its customers. The company's products include basmati rice, rice glucose, rice protein, pink salt, masalas and spices, dessert mixes and more.

With over 50 years of experience in the rice industry, and a global portfolio of more than 150 corporate customers, the company is the largest basmati rice exporter from Pakistan, and its flagship brand "Falak Basmati Rice" is available in more than 40 countries worldwide. Matco also exports private label brands to over 60 countries in the world. The company operates 5 rice processing and milling plants which include vertically-integrated paddy drying, storage, husking and processing facilities in Sadhoke, Punjab and Karachi, Sindh.

Matco Foods has recently diversified its operation within domain specialized products i.e. Rice Glucose and Rice Protein, with plant production capacity of 10,000 MT per annum of rice glucose and 1,000 MT of Rice Protein per annum. The project is complete and the commercial production of Rice Glucose and Rice Protein has started.

The company aims to serve the changing needs and preferences of global consumers and therefore holds Organic Certification from the US NOP and EU Organic Certification from Control Union. Matco Foods Limited is also the only IFC investee company in its sector since 2012.

During the quarter July-September 2018, Pakistan's exports of Basmati rice has increased by 3.34% in volumetric terms and decreased by 8.94% in value terms. However, the Company has captured good volumes and registered overall revenue growth by 36.8% as compared to last period. The Company has exported 8,559 metric tons of basmati rice as compared to 7,237 metric tons in the last comparative period and thereby represents increase of 18.27%. The average selling price per metric ton during this quarter is USD 1,148 which was USD 1,118 in the last quarter and represents increase of 2.64%.

The cost of production, on the other side, was also increased by 41.34% mainly because of increase in production overheads. The Company is continuously striving for growth in the business and taking cost effective measures to optimize the shareholders' value.

The Group profitability was almost on the same level as reported for the Company. The Subsidiary Company is facing challenges in the GCC region due to VAT implementation, region's political turmoil and overall sluggish business environment.

# Directors' Report

#### **RICE DIVISION**

The Company continued its focus on building the Falak brand in the local as well in the export market. During the quarter under review, the Company has participated in IFT Chicago 2018 and exhibited in Jinnah University. Both of these marketing activities remain quite successful and the Company has received satisfactory response from consumers and distributors.

The Company aggressively following brand marketing campaign and approaching new customers in local market through Van branding and market sampling in all major cities of Pakistan. As a result of these measures, the Company's local sales increased by 38.08% as compared to last comparative period.

#### **GLUCOSE DIVISION**

The Company's new project Rice Glucose Division Phase – II is under construction in full swing. The Company also updates the developments in the project to the Pakistan Stock Exchange, Securities and Exchange Commission of Pakistan and shareholders through quarterly progress report on timely basis.

The Company existing Rice Glucose Plant Phase- I is operating at optimum capacity. Repeated orders are generating from existing customers in the local as well as in the export market. The Company's rice protein is high in demand in the export market and certain number of orders are in hand. The management is targeting major portion of sales through export to fetch high margins in the export markets and improve profitability.

#### **NEW PRODUCT DEVELOPMENT**

The Company is diversifying its business into new range of products such as masalas' variety, selling Pepper and Pink Salt in grinder bottle packing and Falak Kheer. All of these products exhibits good track record of sales and its sales growing day by day. During the quarter, The Company have launched new products in the US and EU markets such as Ginger paste, Garlic paste and Ginger garlic paste which will also be available in local market in coming months. The Company has also launched new unique masalas, Peri Peri masala and Dahi Bara masala under the umberella of Falak brand which are demonstrating good customer demand.

#### **FUTURE OUTLOOK**

Pakistani economy is under pressure with widening depletion in reserves and reliance on external sources to cope up current account deficit and support the economic stability. During the quarter, new government has taken macro-economic steps such as devaluation of Pakistani Rupees and increase in KIBOR rate which resulted in increase in production cost and financial charges. Any further tough economic reforms may make business environment more suppressive and will likely impact on overall financial position.

The Company is well aware of these challenges and actively adopting cost effectives measures including re-engineering its business processes to boost the efficiency of business operations in supply chain and logistics activities and revamping quality control department so that production losses can be minimized. The Company also planned to further reduce its short term borrowings to minimize the financial charges.

# Directors' Report

## **ACKNOWLEDGEMENT**

We wish to thank the Shareholders, Customers, Suppliers, Bankers and Distributors for providing us valuable support during the reporting period. We also wish to thank our Staff who remained committed to deliver towards the growth of the Company.

**10.1.1** This civil suit No. 1635 of 2009 for possession and injunction has been filed by the Company in the Honorable High Court of Sindh against province of Sindh and other parties. The suit was filed for the possession of land, it was dispossessed by the defendants, to restore it and a permanent injunction to restrain the defendants from alienating or transferring the land. This suit was instituted on November 18, 2009.

In 2015 the plaintiff Mr. Syed Alay Sadqain Naqvi filed the suit no. 2141 in the court of senior civil judge against the Company and four others claiming to be the lawful owner of a piece of property, which is also the subject matter in suite No. 1635 of 2009 above. This suit has been dismissed by the senior civil judge on August 29, 2017 with a view that suit is hopelessly barred by law. However, Mr. Syed Alay Sadqain Naqvi has again filed appeal no. 311 of 2017 against the Company in the court of district session judge on the same subject matter. The subject matter of this suit has already been dismissed by the lower courts twice thus barred under the principle of res judicata.

10.1.2 The Petition No. 3358/2011 and 1823/2013 was instituted on December 13, 2011 and April 29, 2013 by the Company against Federal Board of Revenue (FBR) and Others in Honorable High Court of Islamabad. Whereby, the chargeability of the customs duty against import of storage silos has been challenged. It is pertinent to point out that the said import was exempt from duties and taxes vide SRO No. 575(I) 2006. Now through SRO dated October 23, 2012, the said silos have been added as clarificatory being exempt. The said chargeability of Customs Duty has been challenged of the intervening period through these petitions. Company has filed intra court appeal ICA no. 84/2015 and 85/2015 on February 26, 2015. Both the appeals are pending in Houranable High Court of Islamabad, notices are issued. In the meanwhile the Company has also filed suit no. 392 of 2015 against the Federal Board of Revenue and Model Customs Collectorate due to suspension of Company's Customs ID and the threatened suspension of NTN of Company. An interim restraining order against such suspension was granted in favour of Company by the Honorable High Court of Sindh, which is operative till date. The case is still pending adjudication. The Counsel hopes these cases will be decided in favor of the Company.

The management of the Company on the basis of the Counsel's opinion is confident that the Company is not likely to suffer any losses on account of the said petition.

10.1.3 In prior years Sindh Government imposed infrastructure cess @ 0.85% of import value on all imports into Pakistan. A large number of importers including the Company filed the Constitution Petition No. 2173 of 2013 in the Honorable High Court of Sindh against Province of Sindh. This petition was instituted on May 20, 2013. The honorable High Court of Sindh has issued an interim order allowing release of imported goods on 50% payment and 50% bank guarantee. The litigation is pending adjudication.

The management of the Company on the basis of the Counsel's opinion is confident that the Company is not likely to suffer any losses on account of the said petition.

**10.1.1** This civil suit No. 1635 of 2009 for possession and injunction has been filed by the Company in the Honorable High Court of Sindh against province of Sindh and other parties. The suit was filed for the possession of land, it was dispossessed by the defendants, to restore it and a permanent injunction to restrain the defendants from alienating or transferring the land. This suit was instituted on November 18, 2009.

In 2015 the plaintiff Mr. Syed Alay Sadqain Naqvi filed the suit no. 2141 in the court of senior civil judge against the Company and four others claiming to be the lawful owner of a piece of property, which is also the subject matter in suite No. 1635 of 2009 above. This suit has been dismissed by the senior civil judge on August 29, 2017 with a view that suit is hopelessly barred by law. However, Mr. Syed Alay Sadqain Naqvi has again filed appeal no. 311 of 2017 against the Company in the court of district session judge on the same subject matter. The subject matter of this suit has already been dismissed by the lower courts twice thus barred under the principle of res judicata.

10.1.2 The Petition No. 3358/2011 and 1823/2013 was instituted on December 13, 2011 and April 29, 2013 by the Company against Federal Board of Revenue (FBR) and Others in Honorable High Court of Islamabad. Whereby, the chargeability of the customs duty against import of storage silos has been challenged. It is pertinent to point out that the said import was exempt from duties and taxes vide SRO No. 575(I) 2006. Now through SRO dated October 23, 2012, the said silos have been added as clarificatory being exempt. The said chargeability of Customs Duty has been challenged of the intervening period through these petitions. Company has filed intra court appeal ICA no. 84/2015 and 85/2015 on February 26, 2015. Both the appeals are pending in Houranable High Court of Islamabad, notices are issued. In the meanwhile the Company has also filed suit no. 392 of 2015 against the Federal Board of Revenue and Model Customs Collectorate due to suspension of Company's Customs ID and the threatened suspension of NTN of Company. An interim restraining order against such suspension was granted in favour of Company by the Honorable High Court of Sindh, which is operative till date. The case is still pending adjudication. The Counsel hopes these cases will be decided in favor of the Company.

The management of the Company on the basis of the Counsel's opinion is confident that the Company is not likely to suffer any losses on account of the said petition.

10.1.3 In prior years Sindh Government imposed infrastructure cess @ 0.85% of import value on all imports into Pakistan. A large number of importers including the Company filed the Constitution Petition No. 2173 of 2013 in the Honorable High Court of Sindh against Province of Sindh. This petition was instituted on May 20, 2013. The honorable High Court of Sindh has issued an interim order allowing release of imported goods on 50% payment and 50% bank guarantee. The litigation is pending adjudication.

The management of the Company on the basis of the Counsel's opinion is confident that the Company is not likely to suffer any losses on account of the said petition.
